

## **Hans-Schaeuble-Award and Hans Schaeuble Recognition**

The Hans Schaeuble Foundation Zurich has been supporting the Arosa Culture Association and its activities for a long time. The foundation is particularly keen to promote young musicians and chamber music ensembles. The Hans Schaeuble Award, presented for the first time in fall 2015, makes this support visible.

The award and recognition are presented to outstanding participants of the Arosa Music Academy.

The Arosa Music Academy as part of the Arosa Music Course Weeks includes two special master classes at the highest level. Arosa Music Academy I is offered for violin, viola and viloncello and Arosa Music Academy II for accordion and saxophone. In addition to daily individual lessons with university lecturers, there are intensive chamber music lessons.
